Total days played	165.7951389
Average hours spent per game (excluding games with 0 hours)	25.50694444
Average hours spent per game	17.3
Percent of my life spent playing steam games so far	2%
Age (for above calculation)	21.7

Hours Played as scatter chart

Played vs Unplayed games

Red = Played, Blue = Unplayed

Every game I own on Steam but i'm representing them as a gauge emoji for how many hours I have in that game (Full = 100 hours or more)
